Sir:

OFFICIAL COMMUNICATION

This Official Communication is in regard to a continuation patent application filed herewith, which claims priority to currently pending U.S. Patent Application Serial No. 09/841,675, filed April 24, 2001 which claims the benefit of U.S. Provisional Patent Application Serial No. 60/222,455.

This continuation application was filed in the present case by filing a new specification with new claims, along with the oath or declaration from the prior (parent) application pursuant to 37 CFR 1.53(b). The text of the newly filed specification includes the following changes to the originally filed specification in the prior parent patent application from which this continuation application claims priority:

- Cross Reference to Related Applications has been changed; and
- Detailed Description on pages 5-6 has been corrected.

For the convenience of the Examiner, enclosed herewith, is a marked up version of the specification showing the changes. The changes made thereto do not introduce new matter. Rather, the changes are presented to update the cross reference to related applications and to make contextual changes.

The applicants respectfully submit that the claims of the present continuation application represent allowable subject matter. The Examiner is encouraged to contact the undersigned to

Attorney Docket No. - MIO 0072 NA

resolve efficiently any formal matters or to discuss any aspects of the application or of this Official Communication. Otherwise, early notification of allowable subject matter is respectfully solicited.

Respectfully submitted,
